### Two Yachts Race For Governor's Cup Today

Two yachts are sailing this afternoon for the Governor's Cup. The Kamehameha and the Gladys are the only entries which have been secured for the event. It is in the nature of a sealed handicap, with the course laid around the island, by way of Barber's Point. The boats, leaving at two this afternoon, are due to arrive some time tomorrow.

The handicaps were an entire secret before the start of the race, but it was thought this morning that they would be in favor of the Gladys, which came in about 59 minutes to the bad last year, when the Kam won out. The Gladys had about a half hour's start.

The course is from the starting post at the Myrtle boat house, out to Barber's Point, and around the island to a point 100 yards from the spar buoy.

The cup for which they race is a perpetual trophy, offered by Governor Carter, and now held by the Kam, which won out in the race last year. The committee in charge of the race is: H. P. Roth, chairman; R. H. Ryecroft, and James Jaeger.

### HAWAII BUCKING UP AGAINST ADVERSE WINDS

Captains of the wind jammers which are now coming into port, with such fast voyages to their credit, say that the Hawaii has the wind right against her in the run up to the Coast. For this reason, it is probable that the little craft will be somewhat later in making San Pedro than was at first expected. However, this is the opportunity for Captain Harris to prove his reputation as a skipper, and get her there on time in the face of adverse winds.

### RIVERSIDERS SUSPEND

President A. L. C. Atkinson of the Riverside Baseball League says, in regard to baseball in this city before the holding of the funeral of Prince David: "The Riverside Baseball League will have no games tomorrow; nor will it conduct any public activity until after the holding of the state funeral of Prince David. The regular games of the schedule will be continued only after the body has been laid in the grave."

This means that the Aala fans will see no baseball on the popular field for the next two weeks to come, as the funeral is to be held on Sunday week.

Young Heine wants a match with Marsh of Fort Shafter at 122 to 124 pounds.

### Chinese Team To Play Off Rivalry At Aala Park

In the first contest at Aala Park tomorrow the Palamas will face the Nippons and the second game will be a finish fight between the Chinese A. C. and the Chinese Alohas, to decide the supremacy of these rival teams. The first game starts at 1:30 p. m. sharp.

Manager K. Yasumori has a little more confidence in his team this time than last Sunday, as the two men of his nine formerly on the sick list will again be in the game. Flores' thumb is now about well and he will be able to twirl for the Banzaia. Michi, the Jap shortstop, will also be able again to hold down that position. With these two players back in the game, Luning, the crack catcher of the Nippons, will play much better ball and it is hoped by many fans that the Banzaia will carry the laurels of victory after the game. Espinosa and Clement will form the Palamas' battery.

Who will win the second contest? This is the question that is bumping the Chinese fans. The Chinese A. C. and the Alohas are the greatest rivals in the league and whenever these two teams face each other Chinatown will be there in large force. Both of these two Chinese teams have many supporters among the tongs and this makes the game the more interesting.

Besides, these teams know how to play first-class ball. The last game played by them this season was won by the Chinese A. C. after eleven innings, by the score of 2 to 1. The Chinese Alohas will be strengthened by J. Kaimi this time. Kaimi is a star ball-player who is especially strong with the stick. He is to pitch tomorrow. With him in the box, the C. A. C. will have to take notice. Lo may be in the box for the C. A. C. with Chi Hui behind the bat. From what may be seen at this time, the contest will be a warm one.

### SCHEDULE DISARRANGED

The combination of the Kamehameha Day celebrations and Prince David's funeral has upset the schedule of the Newspaper League to a very considerable extent. The games which were to have been played on the day of the funeral will be held tomorrow; in place of the games which were scheduled for that date and were played instead on Thursday. This will even things up, but Treasurer Brewster is still figuring on how the thing can be made to fit. The teams which will play tomorrow are: Bulletin vs. Paradise and Star vs. Mercantile.

The checkers tourney at the Y. M. C. A. is creating interest.

### Athletes Training For Sports To Be Held Next Week

Sailor Roberts and Young Nelson have gone into active training for the boxing and wrestling carnival which is to be held next week, when the ships are here. They are both working out at the boat house, and expect, as they keep in pretty good form all the time, to be in the pink of condition when they go before the audience to perform on the mat and with the padded glove.

The boys at the Fort are always in condition, and it will not be necessary for them to do much extra work.

The matches will probably not be announced until after the ships arrive, and some of the men on board have been gotten in on the fun. Then the lists of events will be out, and the three days' sports will be in progress.

### YACHT SHY ON FUNDS

Giving "The Man of the Hour" with smaller crowds than expected in the auditorium leaves the yacht committee about \$100 to \$150 in the hole. The bills are coming in today, and it is certain that the "yacht" has to dig up for expenses," as one of the members says. This is the outcome of the effort to raise \$2000 to send the entry of the Territory to the Coast, for the start of the Trans-Pacific race.

A real game of cricket is on at Makiki this afternoon, between teams chosen by the captain and his vice.

Leahli Girl and Makaala run a quarter this afternoon at Kapiolani Park.

Barney Joy is still dissatisfied with that fine.

### TOMMY BURNS PICKS STILL ANOTHER LEMON

Sydney, May 28.—The syndicate which is arranging for the visit to Australia of Tommy Burns, the heavyweight pugilist, has deposited \$10,000 to bind the match between Burns and Leng, the Australian boxer. The fight is to take place at Sydney in August. The syndicate has the option of arranging two additional fights at \$7500 each.

London, May 28.—On being asked today whether his Australian visit would interfere with the negotiations for a fight with Jack Johnson, the colored heavyweight, Tommy Burns replied that Johnson would have to wait until his Australian engagements were concluded.

According to the above cablegrams, it can readily be seen that the "lemon" champion still continues to pick up the soft money and is trying to squeeze every dollar out of the English sports that he possible can. Not being satisfied with grabbing all the easy money that is in sight across the pond on King Edward's tight little tale, he now intends to invade his other island possession in far-away Australia. It is a shame to take the coin, but if the Britons are such easy marks you can't blame Burns for grabbing it, in preference to going against Jack Johnson, the clever black man. When Burns gets a fortune laid away in the bank he will give Johnson the merry-haha and sit back and make him go out and get a reputation. Even if he does box him, he will want every dollar that goes into the box-office.

The Kaahumanu lost their first game yesterday to the Aliipanis, to the tune of 12-10, in a contest played on Makiki grounds. This ties these two teams for the first place in the Junior Interscholastic Baseball League.

On June 11th, the Waialea school boys defeated the Lales by a score of

### AMERICAN LEAGUE BATTERS PACE CLOSE

There is a pretty fight on for the batting championship of the American League. Ty Cobb, who lent the sluggers last year, is being hustled by a bunch. Bemis is leading right now, but he is not a regular. The honors go to Rosaman and McConnell, who are tied at .347. Cobb, Chase and Stone are well up in the race and they are three sweet hitters. Pickering, an old-timer, who has played on the Coast and had his ups and downs in baseball, is killing the ball. He is leading the Washington Club with the fat average of .308. Lajoie is batting at .283, which is a good average, but the once mighty Keeler has dropped to .253.

The real base stealers in the American League are the ones whose names are seldom mentioned in this respect, in the West at least. They are Chase of New York, with 10; Schaefer of Detroit, with 10; Heanhill, New York, 9; Dougherty 8 and Anderson 6, Chicago, and Niles, New York, 6.

Ching Chiu, a former Honolulu player, has made good on the Armour Academy baseball team, Chicago.
